'Frozen Community' by Doug Martin

Doug has compiled good & humorous stories contributed by former cast members - principal and chorus line alike. As you read this book, let your memory take you back to the days when you were on tour.

'What principal, when she made a mistake during a performance with her brother, after making their bow, ran off the ice in the blackout to the safety of the dressing room so that she wouldn't get chastised by him?'

To find the answer and read more great stories, order your own copy.

'Frozen Community' will make a great Christmas gift. What a better way to share with family & friends some of the more humorous memories of our time 'on the road'. Get your list together.

Place your order today and upon receiving payment, Doug will guarantee delivery within 24 hours. **Cost for the first book is \$25.00 US (including shipping). Any additional books will only cost \$20.00 US (including shipping)** Either send Doug an e-mail to place your order, or go to [Frozen Community Order Form](#)
